The accommodation sleeps six in comfort, a master king size bedroom with en-suite shower room, plus two further bedrooms with twin beds easily convertible into doubles. The large family bathroom has both a walk in shower and full size bath. On the ground floor there is a large open plan sitting room with dining area.

Owner's Review

The property is ideal for many different parties, a mum and dad with 3/4 kids, mum and dad plus 1 or 2 grandparents and 2 kids, 3 couples, 4/5 golfers or 6 who get on well! You will need a car to get the best out of the property, it's a 15 minute drive to the main town, Montbron, which has bars, restaurants, supermarkets banks etc, or 20 minutes to the very attractive town of La Rochefoucauld which has more restaurants and even larger supermarkets.

As for the house, the lounge is cool in summer but with the log burner, cosy in spring and autumn and the convenient dining area seats six in style and comfort. The master bedroom, with en-suite shower room, is light and airy and the other 2 bedrooms are both a good size and have twin beds that can be arranged as doubles.

In the garden there are several eating/relaxing areas all with parasols and the pool gets the sun all day long. It is both private and enclosed so ideal for a young family.

Hi Rog,

Glad you're sweltering too!!

Everything's great here - we've been very lazy thus far only venturing out to Leclercs.... All sleeping, eating and drinking well. Just what the doc ordered.

The whole place is fab. Thank you!!

Just a short note to say what a fabulous time we all had at your lovely house in such a wonderful, quiet location We were also very lucky with the weather. Already seems such a long time ago - I've been to work for a day !! Thanks very much for letting us use it.

Hi Roger

In brief we went on one of the boating lakes - big tick

We did walks too - big tick

Star gazing in the evening with the kids - midnight feast and the milky way was a hit.

the garden is teeming with wildlife for nature buffs who love that sort of thing (my kids!)

It was too hot to be more adventurous.

Limoges for kids - the cathedral, the aquarium and picnic lunch in the gardens behind the cathedral. Stunning views and plenty of shade. We also did a couple of museums - no china!!!

Rog,

We want to let you know how much we enjoyed the week spent at La Veda, even allowing for the company!

The house is great for a complete chill out, even in high temperatures.

We hope the first summer for you is a good one and all the best for the future with the house.

Best wishes

Paul

La Veda is an ideal location for a relaxing break in a peaceful, remote, rural setting. The farmhouse is more than adequately furnished in a "home from home" style and will comfortably sleep six in three double bedrooms (two bathrooms).

The swimming pool is great for cooling down after a few hours in the sun!

Thanks again.

Best regards,

Chris

Hi Roger,

Just wanted to say that the house and our week's stay was absolutely fabulous. The pool was a welcomed addition on the days it was hot. My three teenagers on 3 of the days were stuck to the pool. The area is lovely and myself and my husband loved sitting out in the evening listening to the wildlife. Also a number of walks and my eldest at 17 is an athlete and found a number of food runs to keep up with his training.

It was a brilliant base to have and we managed to get to Cognac, Limoges, Ouradour-sur-Glane and the Chateau.

I would definitely recommend your home to anyone one else and it has given me and my husband the perfect opportunity to make plans that this is the area of France that we like the best.

All the best with the house it is really a lovely place and a perfect setting for relaxation and base to explore.

Kind regards,

Lorraine

The town of Ordour sur Glane is also nearby, probably more moving than visiting the Normandy beaches or the many cemeteries in Northern France

Local activities continued:

There are many and varied leisure activities to be found in the area, even beaches and watersports!

Horse riding, karting, canoeing, walking, cycling, tenpin bowling are some of the things you can get up to but whatever you do find time for watching the wildlife and the sky from the garden.

One of the closest sporting attractions is the golf course of Golf de Preze. Just 5 minutes down the road this is a challenging 18 hole course and the bar, terrace and restaurant add great value to a visit.
