

LA VEDA

Driving from Channel ports/crossings:

There are various north south routes but the best appears to be to be via the A28/A10, Le Mans/Tours etc. If using Calais/Boulogne then follow the A16 south towards Rouen and then take the A13 towards Caen before picking up the A28 about 20 miles west of Rouen. If using Le Havre, Dieppe or Cherbourg then make your way to Caen and pick up signs for the A28. Around Le Mans the A28 becomes the A10 but simply follow the signs for Tours/Poitiers/Bordeaux. There are several toll sections on this route around Euros 50 in all with the longest section on the A28 between the A13 and Tours at Euros 31.

Leave the A10 at junction Echangeur de Poitiers Sud to pick up the N10 towards Angouleme, just north of Angouleme take the N141 towards Limoges and after about 10 miles take the exit marked La Rochefoucart. Follow the signs into the town then pick up the D13 towards Massignac/Lacs de Charente, this is a left turn at lights just before the station. After a further 9 miles turn right signposted Le Lindois stay on this road (D27) for about 1.75 miles, do not turn right into Le Lindois but stay on the road for a further mile or so until you see a sign to Logeas(t) off to the right. Follow the road into the hamlet of Logeas, La Veda is on the left hand side at a road junction in the middle of the hamlet.

Driving from Limoges airport:

Leave the airport crossing over one roundabout and within a mile follow signs for Angouleme. Pick up the N141 west and stay on this road for approximately 20 miles. The bypass is finished now so you need to take the exit into Chabanais until you pick up the old road through the town. At a small square in Chabanais turn left signed for Lacs de Charente. Take the unsigned right turn on the opposite diagonal of the square. Keep following the signs for the Lacs and eventually Massignac is signed.

At Massignac turn right onto the D13 towards La Rochefoucart, after approximately 1.5 miles turn left towards Le Lindois (not signposted) and then after about 1.5 miles turn right onto the D27. After 0.7miles take the left turn marked Logeas(t). This is a small low sign that looks like a sign for a house. Follow the road into the hamlet of Logeas, La Veda is on the left hand side at a road junction in the middle of the hamlet.

Note, if using a satnav with Logeat, Le Lindois as the destination you may be taken on a variety of other roads in the area and you may enter the hamlet from the East in which case La Veda is on your right!!!!

Driving from Bordeaux airport:

On leaving the airport head for Bordeaux Centre until you get to the Rocade de Bordeaux (the ring road). Basically you head south west around Bordeaux aiming for Nantes/Paris/Angouleme. After crossing the river to the west of the city keep looking for Angouleme and the A10. After about 20 miles on the Rocade at junction 30b, take the N10 towards Angouleme. After about 55 miles take the exit on the N141 towards Limoges and then follow the directions in the final paragraph for journeys from the Channel ports above.
